Promotion

We at Funny Farm Coffee Co are committed to making this event a success! We will carefully review our applicants and choose high-quality vendors with varied products and ensure as little repetition as possible. We will also create a Facebook group for vendors to provide current information and answer questions. Every vendor will receive 2 drink tickets to redeem at Funny Farm on the day of the event, along with our own staff to bring the drinks to you (and sit at your booth if you need a bathroom break)!

We will use our business's social media pages to promote the market to our numerous, highly engaged followers, along with posting on event websites and advertising on Facebook and Instagram. In addition, we have the support of Lawrenceburg Main Street Association and the city of Lawrenceburg, who will also promote the event on their social media. We'll provide vendors with images to use to promote the event on their own social media.
